

Task 1: Polarization Word Cloud Comparison (Swarm)

Polarized (1) - Swahili

The image is a word cloud graphic. In the center, the word 'yani' is written in large red letters, with 'yan' above 'ni'. To the left of 'yani', the word 'wanan' is also written in large red letters, with 'wan' above 'nan'. The background is white, and numerous other Swahili words are scattered around the central text, each accompanied by its English translation. The words are in various sizes and shades of gray, creating a dense, textured look.

Some of the visible words and their meanings include:
